

# TASK:

Scrape the data and save it into a .xlsx format after finishing the task mail the code and output (output format: FIRSTNAME\_LASTNAME\_ML.xlsx)

to [hardik.vegad@msquaremedia.com](mailto:hardik.vegad@msquaremedia.com) before 6<sup>th</sup> September 2022 9.00 am.

1.) Visit this site: <https://www.athens.edu/programs/>

You will see site like this

2.) Scroll down a little

Scrape the highlighted data of every row till page number 7

BEHAVIORAL SCIENCES		
<b>Behavioral Science</b>	Bachelor of Science, Minor	On-Campus, Online
SCIENCE		
<b>Biology</b>	Bachelor of Science, Minor	On-Campus
SCIENCE		
<b>Biology - Bioinformatics</b>	Bachelor of Science	On-Campus
SCIENCE		
<b>Biology - Cellular &amp; Developmental</b>	Bachelor of Science	On-Campus

1 2 ... 7 8 > 78 Total Results View All

3.) Create additional 4 sheets along with the major scraped sheet in same .xlsx file

- 1<sup>st</sup> sheet contains all the records which are on-campus
- 2<sup>nd</sup> sheet will contain all the records which come under SCIENCE filed
- 3<sup>rd</sup> sheet will contain all the records which are Master
- 4<sup>th</sup> sheet will contain all the data of only Online course.
